Nomination Form--Beans for Bags 2018

As you are filling out this form, keep in mind that our Co-op Owners may need a refresher on who you are, what you do and how you impact friends, neighbors, co-workers and critters in the community. What sets you apart from other organizations that do similar work? What kind of proven success do you have at doing what you do best? How will Beans for Bags donations help you achieve your goals? It's important to communicate the great work that you do to our Owners, so they will be encouraged to vote for you! Please note that by providing information on this form, you are giving us permission to reprint and publish it on our website, in the Thymes newspaper, on social media and on in-store promotional material. If you have any questions, please feel free to contact Donna Tarasawa, Outreach Specialist, via email: donnax@firstalt.coop or via phone: 541-753-3115 ext 328. If you applied last year, we should be able to email you a copy of your application to refer to in preparing this year's application (I know this can sometimes be helpful.)
